## Income Protection for Independent Workers (TNS)

### Protect your standard of living and your family in the event of illness, accident or death

If you are a non-salaried worker, how do you maintain your income if you are ill or have an accident? In the event of an early death, what will become of your family?

Because the state cover is insufficient, it is highly recommended that you take out additional protection. With Allianz Prévoyance TNS\* you can choose a tax-deductible\*\* made to measure solution which received the Label d'Excellence 2017 from the independent review *Les Dossiers de l'Épargne*

Selection from the following types of cover:

**In the event of death/total permanent loss of autonomy:** a capital is paid out

**In the event of being signed of work:** daily indemnities to replace your usual income if you are temporarily and totally incapacitated. Choose the amount of the indemnity and the duration of the indemnities.

**Critical illness cover:** a capital is paid out in the event of diagnosis of specified illnesses: cancer, stroke, heart attack, Alzheimer, MS

**In the event of permanent invalidity:** a capital sum and/or annual pension until you are 67,

No medical formalities are required if you wish to be protected in the event of an accident.

For cover up to 50 EUR daily indemnities per day for under 50s, a simple health declaration is required.
