

Mortgage Insurance

If you take out a mortgage in France, the French bank will insist that you are covered by life insurance. If you are not working and paying national insurance contributions in France, the policy will cover death and total disability. If you work in France, options such as long term sick leave and partial disability are also available.

In order to obtain a quote, please send us the following information for each borrower:

Name and address

Occupation (please describe the activity e.g. office work, operating machines...)

No. of km you drive per year on average

Date of birth

Smoker or non smoker (ie not having smoked for at least 24 months)

Sports you practise

Name of the lender

Amount of mortgage

Type of mortgage (repayment / interest only)

Initial interest rate (fixed/variable)

Maximum term of the mortgage

General Life Insurance

We also offer family protection policies, which are not assigned to a lender, and for which you can choose the beneficiary.
